

20 April 2013

Our first exhibition of the year was on 20 April at Kleinplasia, Worcester as part of the Worcesterfees. It was a very busy day as the *photo* above shows. We were lucky to have David de Klerk there to assist the regular members of the team. It was noticeable how many younger members of the public came to show their interest. *Photo: David de Klerk with some of the younger visitors.*

3-4 Mei 2013

Van 3-4 Mei was dit tyd vir die Hartlamfees te Hartenbos. Hierdie was 'n gesamentlike uitstalling tussen eGGSA, Suid-Kaap en Wes-Kaap. Foto Hartenbosch. *Foto: As daar nie plek is om plakkate op te sit nie, span ons sommer 'n wasgoedlyn en hang dit daaraan.*

6-10 Mei 2013

The annual Archives week at the Cape Archives in Roeland Street was from 6 to 10 May. The Western Cape Branch was on hand again to assist visitors and we also organised the poster exhibition.

Die eGGSA het 'n uitreik na Grahamstad aangebied. Wes-Kaaptak was ook daar om te help met die aanbod van praktiese werksinkels.

Augustus 2013

Op 31 Augustus het ons 'n werkswinkel in Durbanville aangebied op versoek van die Durbanville Heritage Society. Mariana Olivier en Alta Griffiths het praatjies aangebied en die res van die span was daar om te help met praktiese raad en spesifieke navrae. Hulle is bygestaan deur Nicol Geldenhuys wat daar was as verteenwoordiger van GISA. Dit was 'n uiters geslaagde dag met ongeveer 70 mense wat die werkswinkel bygewoon het.

September 2013

Saterdag 21 September het die uitstalspan deelgeneem aan die Cape Town family History Society se Erfenisdag vieringe. Een van die ander uitstallers was Tony Nunn wat spesialiseer in die vervaardiging en druk van boeke oor familiegeskiedenis.
